Give the Gift of Togetherness

Being away from home at Christmas can be a challenging time. That's why we believe the families staying at the Ronald McDonald Family Room, Southland Hospital during the festive season deserve an extra special Christmas.

Can you sponsor a beautiful festive wreath for a \$500 or \$250 donation?

Your Christmas wreath will brighten up the Family Room while covering the cost of two nights' accommodation, a Christmas feast and a visit from Santa for a family with a child in Southland Hospital. **Contact Andie Gentle on 027 222 3180 or email andie@rmhsi.org.nz.**
