

Access to BDO basement parking is off the Armagh street side of the building. Please be careful with GPS directions. We are on Durham St North not Durham St South

BDO client parks are numbered between 64-72 in the basement car park of the Awly building. Our carparks are sign written BDO Visitor. (They are close to the southern lift which will take you to our offices on the 4th floor).

Visitor carparks

Instructions for Basement Parking in the Awly Building

Step 1. The entrance for BDO clients who park in the Awly Building basement car park is from Armagh Street (close to the Armagh and Durham Street corner).

Step 2. Drive down the right hand side of the ramp into the basement and stop at the Stop sign in front of the yellow line. A security grill half way down the ramp will be down.

Step 3. There are pin numbers listed on a panel on the left hand side attached to the wall. On the largest key pad, please press 4001 or 4002 and then the telephone icon (bottom right of the largest key pad). This will connect you to BDO Reception.

- Step 4.** BDO Reception will activate the grill and direct you to a BDO Visitor Park which will be close to the Southern corner lifts (Gloucester and Durham St end). BDO is located on the 4th floor of the Awly Building.

- Step 5.** When you leave BDO, a security card swipe is required for you to access the basement car park again. Reception will action this for you. Please drive over the pressure pad as shown in the photo below. This will automatically open the security grill. Please remember to give way to oncoming traffic and be mindful of pedestrians when exiting the basement.
