5. Removal from New Zealand Register of Companies

As Liquidator, I am obliged to give public notice of the intention to have the Company removed from the Register of Companies. A copy of my notice is attached as **Appendix 2**.

The attention of all creditors and shareholders is drawn to section 321 of the Act which provides that, where public notice is given of an intention to remove a company from the Register, any person may send or deliver to the Registrar, not later than the date specified in the notice, an objection to the removal on any one or more of the following grounds:

- (a) That the company is still carrying on business or there is other reason for it to continue in existence; or

- (b) That the company is party to legal proceedings; or
- (c) That the company is in Receivership, or Liquidation, or both; or
- (d) That the person is a creditor, or a shareholder, or a person who has an undischarged claim against the company; or
- (e) That the person believes that there exists, and intends to pursue, a right of action on behalf of the company under Part IX of this Act; or
- (f) That for any other reason, it would not be just and equitable to remove the company from the New Zealand register.

Creditors and shareholders should be aware of section 321(2)(b)(ii) of the Act which provides that a claim by a shareholder or any other person against a company is not an “undischarged claim” if a receiver or liquidator has notified the shareholder or that person that the company has no surplus assets.
